

FEBRUARY GARDEN TASKS

NOTE: PLEASE BE CAREFUL PULLING WEEDS
WHILE THE GROUND IS WET.
REMOVE ALL SOIL AND OTHER DEBRIS
FROM THE ROOTS.

Back Gate Garden

- Pull weeds
- Deadhead as needed

Main Gate Area

- Rake leaves and put in compost piles
- Remove oxalis and other weeds
- Pick up trash and debris
- Sweep parking lot pavement

Perimeter Garden Beds

- Remove weeds
- Cut down unwanted saplings
- Sweep parking lot pavement

General Tasks

- Empty trash cans into dumpster
- Empty satellite compost bins into the compost pile.
- Pick up trash throughout garden (plastic pots, plant name tags, general junk!)
- Pull weeds! (See NOTE above)

NOTE:

- Please keep the green cart and rolling trash cans near the Admin Shed.
- Keep the Back Gate path clear. Wheel barrows cannot block the bike rack, the path or access to the gate.
