

## GARDEN TASKS | JULY 2019

### **Charles Street Perimeter Bed**

- Remove bindweed and other weeds. Take to trash.
- Rake leaves and take to compost.
- Satellite compost bin – take contents to compost pile.
- Remove weeds from sidewalk.
- Sweep sidewalk.

### **Parking Lot Perimeter Bed**

- Remove “weed trees” (privet, tree-of-heaven, etc.)
- Remove weeds from asphalt and sweep.
- Pull out nasturtiums.
- Clear weeds and debris from perimeter beds.
- Remove cobwebs from the fence.

### **North Pathway – Compost Area to Group Garden Area**

- Cut back trees and shrubs from fence
- Pull bindweed and other weeds in perimeter beds.

### **Other Tasks – These ALWAYS need to be done!**

- Empty satellite compost bins.
- Remove cobwebs from the fence and kiosk.
- Pull bindweed where ever!

### **NOTE:**

- Please keep the green cart and rolling trash cans near the Admin Shed.
- Keep the Back Gate path clear.
- Wheelbarrows and carts cannot block the path or access to gates or sheds.

*Thank you for making the garden a beautiful, happy community!*
